FOR IMMEDIATE RELEASE

March 9, 2020

GREYZDORF IS BUYING \$51 MILLION BTR SINGLE-FAMILY PORTFOLIOS BEFORE JUNE 2020

Greyz Seller Desk Is Now Open

Atlanta, Ga, March 9, 2020 – Greyzdorf announced today they are buying \$51 million of Build for Rent single-family portfolios before June 2020.

The Build for Rent single-family portfolios to be sold as OTC high yield corporate bonds or other structure securities backed by Class A new construction single-family rental communities' portfolios are implemented to purchase new construction single-family rental portfolios.

Greyzdorf announced that they are finalizing the purchase of a market-making OTC broker-dealer.

The Build for Rent single-family portfolios will be purchased through Greyz Seller Desk. Greyz Seller Desk is an innovative platform where property developers and owners can sell their portfolio directly to Greyzdorf BTR LLC quickly. The platform allows the developers to monitor and track their sale continuously.

The Greyz Seller Desk is a simple, seamless, and powerful gateway for selling rental portfolios to Greyzdorf BTR LLC. It eliminates the tedious process involved in selling properties. Greyz Seller Desk handles all the property sale procedures, and the owner or developers can focus on building their assets without worrying about selling them.

What is in it for developers or builder owners?

- The enterprise-level web application to upload your portfolios for sale
- Greyzdorf purchases all the properties on its own, eliminating brokers
- Post-sale commissions which remove upfront broker fees and advertising costs
- Ability to close high-volume deals in a quick time of fewer than 30 days
- Bank to Bank money transfers on sale completion to ensure seller security
- Optimized tracking of the sale process in real-time
- Available 24*7 to register and sell properties with no time bounds
- Seamless and easy to handle UI/UX developed for non-technical people

Eligibility Criteria

- Only for owners or developers
- Property should be newly built
- 100% online application
- Property should be in the United States
- Ownership should pass Eligibility Checks
